Elections Information Program Manager

SUBJECT: Proposition 34 Legislative Candidates Form 501 Status Report

As you are aware, Proposition 34 allows for the inclusion of legislative candidate statements in your county-specific sample ballot/voter information guide. To assist with the implementation of Proposition 34, the Secretary of State's Office has compiled an initial report, "Proposition 34 – June 3, 2008 Statewide Direct Primary Election Legislative Candidate Statement Form 501 Status Report." This report identifies the legislative candidates who have accepted the campaign expenditure limits under Proposition 34 and who are allowed to purchase a candidate statement in the appropriate county sample ballot/voter information guide for the June 3, 2008 Statewide Direct Primary Election.

This report will be updated through the close of the candidate nomination period, March 7, 2008 (E-88), and placed on the Secretary of State's website at:
http://www.sos.ca.gov/elections/elections_cand_stat.htm.

We will issue a FINAL Legislative Candidates Form 501 Status Report in conjunction with the Certified List of Candidates for the June 3, 2008 Statewide Direct Primary Election on March 27, 2008 (E-68). A copy of the final report will be mailed to your county for your records.

The Secretary of State's Office is in the process of compiling the results of the Legislative Candidate Statement Cost Survey regarding how much counties plan to charge for legislative candidate statements and the additional foreign languages in which the statements may be printed. However, only a handful of counties have provided this information. If you have not already done so, please send in your response. If you did not receive your county-specific legislative cost survey forms, please let us know and we can provide you with another copy.

If you have any questions or need any additional information, please contact me at (916) 653-5144. Thank you.
